

O'Connor Volleyball 2022 Try-Out Schedule - Aug. 1-3

O'Connor High School welcomes you to an exciting 2022 school year. I am writing to inform you about IMPORTANT DATES for our upcoming season. In preparation, please read the following information carefully.

VERY IMPORTANT: All athletes are required to fill out all paperwork for Northside athletics. You can find this information on the O'Connor Volleyball website (<https://oc-volleyball.weebly.com>). **All athletes that will be INCOMING 9th GRADERS and 10th GRADERS this year (juniors next year)** are required by UIL to have a doctor physical for the 2022 season and fill out the NISD medical history form. Additionally a 2022 asthma form must be completed if your daughter uses an inhaler or is diagnosed with asthma. You may **NOT** try out without these completed forms. Lastly, you will be required to complete and submit 5 online forms on the Rank 1 webpage.. Here is the link:
